- **Farah Store:** Online shop for floral products. Created using HTML, CSS, Bootstrap, and JavaScript. Captivating design, smooth browsing, convenient purchasing.
- **Rozella Candel:** E-commerce store for handmade candles. Built with HTML, CSS, Bootstrap, and JavaScript. Appealing layout, user-friendly navigation.

## Volunteer

---

- **"Nabd" Club at Al-Balqa Applied University (Co-founder and Management Team Member)**
  - Leadership and Collaboration: Collaborated with a team of 200+ volunteers from different universities, fostering inclusivity and social impact.
  - Promoting Accessibility, Education, and Communication: Established an audio library featuring recorded textbooks from all university disciplines, thereby enabling visually impaired students to access educational resources. Additionally, organized sign language courses to foster understanding and communication among students using sign language.
  - Empathy, Support, and Social Impact: Provided comprehensive assistance to students with disabilities, offering support in various aspects throughout their university journey. Additionally, actively contributed to the integration of visually impaired and disabled individuals into the university community, fostering a more inclusive and supportive environment with a significant social impact.
- **Other Volunteer Activities:**
  - "Ana Ushark" and "Ana Ushark Plus" programs (Crown Prince Foundation): Participated in programs that focused on nurturing creative thinking, fostering debate and dialogue skills, and empowering individuals politically.
  - "Ruwad Alkhair" initiative: Engaged as a member, actively contributing to its mission and initiatives.
  - Arabic Content Advancement Initiative: Contributed to an initiative aimed at supporting and advancing Arabic content on the internet, emphasizing the importance of promoting the Arabic language and culture online.
