**Udemy, Online**
- 05/2022 - 06/2022 ■ **Unity & C#**  
**Jordan Gaming Lab, KHBP, Amman**
- 11/2022 ■ **Graduates Training Camp | Technology & Supply Chain**  
**Bader & Sahim/ Next Step, The Seedhub Academy - Amman**
  - I completed 8 hour's training **course in Technology**.
  - And 8 hour's training **course in Supply Chain**.
- 11/2020 ■ **Internet Marketing Basics(Short course)**  
**Google Digital Garage, and INJAZ Al-Arab, Online**

## TECHNICAL SKILLS

### Java

CCNA

HTML5 & CSS3

Cisco Packet Tracer

Microsoft Office (Word, Excel, Powerpoint, & Power BI)

statistical techniques and concepts

### Python

Google Colab

CompTIA+

Operation Systems

Machine Learning Techniques

Data Cleaning, Data Modeling, Deployment

## SOFT SKILLS

■ Very good in English - CEFR: B1

■ Emotional Intelligence and Self-Awareness

■ Strategic prioritization

■ Branding skills

■ Will-Powered (Grit score = 4/5)

■ Ambitious and highly intuitive

■ Leadership skills

■ Creativity and Innovation

■ Presentation skills

■ Discussing and Convincing

■ Critical and logical thinking

■ Efficiency, Flexibility and adapting changes

■ Self-Learning, Passion, and Curiosity about knowledge

■ Striving precision

■ Design Thinking Mindset

■ Growth mindset (accept failure)

## EXPERIENCE

03/2023 - 04/2023

### Data Analytics Internship

**Kenda AI, Online**

- I took a part of preparing image recognition machine learning model by converting more than 1000 photos into CSV data files (data gathering).

11/2022 - Present

### Appointment coordinator (Part-Time)

**B.O.T's Freelancer, Online**

- I made over 100 calls to take appointments in order to fill out some questionnaires
- I called people to confirm they're going to attend an event

09/2022 - 10/2022

### ZINC Fellows Program (Bootcamp)

**Zain Jordan (Zain Innovation Campus), KHBP, Amman**

I learned and practiced there many soft and technical skills for 1 month, 10 hours a day, including:

*Branding, customer experience revealing, presentation and communication skills, digital transportation, and design thinking, entrepreneurship, team building, and leadership, cyber talents, innovation, agility, product development and prototyping, digital marketing techniques & e-commerce, project management tools, Digital Transformation and sales skills.*

2019 - 2021

### Volunteer

**Bab Al-Khair Charity, Al-Jbaiha, Amman**

I participated in two activities :

1. Paying off the debts of poor families in Mafrq from donations.
2. Preparing Suhoor food in Ramadan to distribute it to poor families.

05/2020 - 07/2020

### Freelance

**Private Teacher for elementary school student**

I taught an 11 years old elementary school student her school subjects.
