Full Stack Web Developer | Mobile Developer

## About me

I am a dedicated and versatile Full Stack Developer currently pursuing a Bachelor's in System Information Technology at the University of Jordan. I am also enrolled in an advanced Full Stack Bootcamp at Orange Academy. With hands-on experience in modern development frameworks such as Flutter, React.js, PHP Laravel, and JavaScript, I am passionate about creating efficient, user-friendly web and mobile applications. My focus lies in delivering clean, maintainable code and contributing effectively to both frontend and backend development.
