

# Mahmoud Ali Salit

## Front End Developer

 Mamhoundsleit    in mahmoud sleit    0791469264    msleet38@gmail.com

### Education

---

Al- Balqa' Applied University, bachelor degree in Computer Information Systems

orange coding academy, Front-End developer

### Professional Experience

---

#### orange coding academy, front-end developer

- Strong foundation in HTML, CSS, and JavaScript: Ability to build responsive and user-friendly web interfaces.
- Experience with modern front-end frameworks: Proficiency in React and understanding of other popular frameworks like Vue.js and Angular.
- Knowledge of WordPress development: Experience with building custom themes and plugins for WordPress sites.
- Strong understanding of accessibility best practices: Commitment to building inclusive and accessible web experiences.
- Passion for creating beautiful and functional user interfaces: Ability to translate design mockups into pixel-perfect reality.

### Projects

---

#### Quiz website

Demonstrated proficiency in front-end development by building a responsive quizzes website using HTML, CSS, and JavaScript. This website seamlessly integrates with a JSON file, ensuring a consistent and dynamic user experience. Additionally, I leveraged session and local storage for efficient data management, further enhancing user interaction and engagement.

#### FURNITURE

Built a responsive furniture website showcasing a vast collection of products to meet all your home furnishing needs. Leveraged HTML, CSS, and JavaScript to create a visually appealing and user-friendly interface, while the Fetch API allows for dynamic product information display via a JSON file. Session and local storage further enhance the user experience through efficient data management.
