

# LAITH AL ENOOZ

## FULL STACK WEB DEVELOPER

### PERSONAL PROFILE

My journey started with the amazing trainers who have helped me with practicing and learning using "Active Learning Methodology" which have given me a new set of skills and changed my way in solving problems and seeking for answers, also, the academy have provided us with some great sessions in Project management, design thinking etc. I love coding everyday and would like to have the opportunity to utilize my skills in new projects and improve my skillset.
