EDUCATION

- | | |
|---|----------|
| Al Hussein Technical University (HTU), Amman, Jordan | Feb 2023 |
| Training Diploma, DataScience Upskilling Program (340) hrs | |
| Al Isra'a University, Amman, Jordan | Jan 2021 |
| Bachelor of Engineering - Electronic and Communications Engineering | |

EXPERIENCE

- | | |
|---|---------------------|
| Data Scientist Intern | May 2023 - Aug 2023 |
| Orange Jordan, Amman, Jordan | |
| <ul style="list-style-type: none">Performing data analysis and employing statistical modeling techniques.Building predictive models and make data-driven decisions.Demonstrate problem-solving prowess and contributed significantly to real-world data projects. | |
| Solar PV System Analyst, O&M | Apr 2021 - Aug 2022 |
| Almotamasekeh Constructions CO, Amman, Jordan | |
| <ul style="list-style-type: none">Analyzing and troubleshooting solar PV systems.Recommend engineering changes to achieve solar design objectives. | |

SKILLS

Technical

- Statistical Analysis** and **ML Algorithms**
- Scikit-learn, Pandas, NumPy, Matplotlib**
- Seaborn**, and **Gradio**
- Python, MATLAB, SQL APIs** and **ChatGPT**
- Power BI** and **Tableau**
- Cloud ETL (Azure Data Factory)**
- Hadoop, Spark (Cloudera Data Platform)**

Interpersonal

- Communication skills** and very good **active listening** skill
- Team player** with good **problem-solving** skills

Languages

- English** (Fluent) , **Arabic** (native)

LICENSES & CERTIFICATIONS

- | | |
|--|----------|
| Google Data Analytics Professional Certificate | Jul 2023 |
| Google Career, Coursera Platform | |
| Machine Learning Specialization | Mar 2023 |
| Stanford Online and Deeplearning.AI, Coursera Platform | |
