

## Rama Ahmad Yousif Al-Aidy

Jordan • +962796030445 • rama\_alaidy2001@icloud.com • GitHub • LinkedIn

### CAREER OBJECTIVE

Ambitious and enthusiastic for the programming world, I seek to exploit my skills in software development and problem solving to build innovative technical solutions. I have experience in Laravel, PHP, JavaScript and strive to work in a dynamic environment that enables me to improve my skills and contribute to the development of effective and scalable projects. My goal is to deliver clean and effective code and engage in building apps that meet users' needs efficiently.

### Core Competencies

Problem Solving	Critical Thinking	Team Collaboration
Communication Skills	Project Management	Time Management & Multitasking

### Technical Knowledge

**Programming Languages:** Laravel, PHP, React, JavaScript, HTML/CSS

**Database:** SQL, MySQL

**Software Development Practices (SDLC):** Scrum, Agile

**Other Tools:** MS Office (Word, Excel, PowerPoint), Git (Version Control Systems)

### Internship

Orange Academy – Aqaba, Jordan

6-month training in web development (HTML, CSS, JavaScript, Laravel).

Developed teamwork, problem-solving, and coding skills.

## Academic Projects

### 1) Mission Management System Location - Mind Map

An online platform designed to help users manage tasks efficiently by creating, updating and tracking tasks and projects. The system features user authentication, task classification and progress tracking through clear and structured dashboard. The initial layout and structure are designed using a mental map to ensure smooth functioning.

### 2) Coding School for Children - Smart School(React)

An educational school specializing in teaching programming to children in an interactive and enjoyable manner, which aims to develop logical thinking and problem solving skills through modern curricula based on experience and practicality.

### 3) Ecommerce Website - Men's Allowances(PHP)

An electronic platform specializing in selling luxury men's suits, combining elegance and high quality to meet the needs of the modern man. The site offers a variety of classic and modern designs, with easy choice of sizes and colors.
