

AMER NASER

Full-Stack Web & Mobile Developer

Mobile: 00962 7 9639 6550

Email: amer.naasser@gmail.com

LinkedIn: [amer-naser-](#)

Dedicated and highly skilled full-stack web developer with a strong specialization in JavaScript, including React, Node.js, Express.js, and Mongo DB. Proven expertise in successfully delivering five diverse projects, each highlighting meticulous attention to detail and a passion for developing robust and efficient solutions. Adept at collaborating within a team and equipped with exceptional time management abilities, consistently ensuring the completion of projects before or within deadlines. Eager to embrace new challenges and actively seeking opportunities to further enhance skills and contribute to innovative projects.

PROFESSIONAL EXPERIENCE

Coding Academy by Orange Jordan

February 2023 - Present

Full-Stack Web Developer Trainee

- Learned modern technologies: HTML5, CSS3, JavaScript, React, and MySQL
- Implemented 5 projects on different technologies; individually and within groups
- Took 30+ hours of soft and digital skills, like: emotional intelligence, change management and agility
- Acted as a Scrum Master and Product Owner in different projects

Acquired expertise in advanced technologies, implemented real projects within a professional context and used different technologies to be an experienced full-stack web developer.
