Web Developer

CAREER OBJECTIVE

Computer Science graduate with web development experience, skilled in creating dynamic, user-focused websites. Passionate about efficient, scalable solutions and eager to contribute front-end and back-end expertise to a collaborative, growth-oriented team.

Soft Skills

Critical Thinking
Adaptability
Emotional Intelligence
Leadership
Continuous learning

Critical Thinking
Creativity and Innovation
Punctual
Organized Work
Team Collaboration

Time Management
Problem-Solving Ability
Effective Communication
Attention to Detail

Technical Knowledge

Front-End: HTML5, CSS3, Bootstrap, Javascript, React JS

Back-End: PHP, Laravel

Database: MySQL

Operating Systems: Windows.

Software Development Practices (SDLC): Agile, Scrum.

Tools: Visual Studio Code, Figma, Trello, GitHub.

Experience

Full Stack Web Development Bootcamp (September 2024 – Present)

Work Experiences:

- Successfully completed advanced web development bootcamp, enhancing expertise in modern web technologies such as HTML, CSS, JavaScript, PHP, Laravel and React.
- Developed multiple projects using acquired technologies, created a “STEAM” learning platform using HTML, CSS, and JavaScript, followed by “Revolvy”, a cake shop website tailored for special dietary needs like diabetes.
- Improved problem-solving abilities by tackling complex coding challenges and collaborating on real-world projects, resulting in more efficient and creative solutions.
- Strengthened teamwork capabilities by actively participating in group projects and contributing to cohesive and productive team dynamics.
- Gained practical experience as a Scrum Master, effectively managing agile sprints and ensuring project milestones were met within deadlines.

Education & Credentials

Middle East University

2020 - 2024

Bachelors in computer science

Grade: 3.11 out of 4

Conferences and Training Attended:

- Full Stack Web Development Bootcamp May 2024 – Present by Orange Coding Academy
Intensive course in Full Stack Web Development by Orange Coding Academy in collaboration with Simplon.Co and Princess Sumaya University for Technology (PSUT).
