## FullStack Web Developer

 962778080913

 Amman,jordan

 shaimaayaseen.orange95@gmail.com

After working in several fields and the experiments that I did, I found that my passion for technology is great. Therefore, I started my training at the Orange Academy for programming to learn many programming languages, and I found a great development in programming skills and personal skills as I work within teams in several projects.

### EDUCATION

2023
