

Ahmad Badran
Full Stack Web Developer

Amman, Jordan | ahmad.ebadran1@gmail.com | +962770145181 | <https://github.com/Ahmadbadran> | <https://www.linkedin.com/in/ahmad-badran-19b27520a/>

OBJECTIVE

A highly skilled and versatile Full Stack Web Developer with a strong passion for creating innovative and user-friendly web applications. Committed to delivering high-quality code and exceptional user experiences by leveraging a comprehensive knowledge of front-end and back-end technologies. Equipped with expertise in HTML, CSS, JavaScript, React, Node.js, and SQL databases, I am dedicated to continuous learning and staying updated with the latest industry trends. Seeking a challenging role where I can contribute my technical proficiency, problem-solving abilities, and collaborative mindset to drive the success of dynamic web development projects.
