## SUMMARY

---

Strong research and analytical skills enable pattern identification, discovering new possibilities, and communicate data effectively. Problem solver, skilled in using critical thinking, communication, and time management skills to tackle complex problems.

## SKILLS

---

- **Soft Skills:** Communication Skills, Teamwork, Problem-Solving Skills, Analytical Thinking
- **Technical Skills:** Microsoft Excel, Tableau, SQL, NoSQL, Looker Studio, Python

## DATA ANALYSIS EXPERIENCE

---

### Correlation One

Data Analytics Fellow

Remote, USA

May 2023 - August 2023

- Selected amongst less than 5% of applicants to participate in a 14-week data science Fellowship focused on solving real-world data science business cases
- Completed weekly interactive cases that focuses on using Excel for data engineering, SQL, Python, and dashboarding with Tableau and Looker Studio.
- Collaborated closely with a diverse team of six individuals, effectively pooling our collective expertise to tackle and address weekly projects.

### Orange Coding Academy

Data Science Course

Remote, Jordan

February 2023 – March 2023

- Handled large datasets (over 10 GB) and performed data wrangling to prepare data for analysis, reducing data processing time.
- Created data visualization graphics, translating complex data sets into comprehensive visual representations using Python (Matplotlib)
- Developed and trained machine learning and deep learning models to make predictions and generate insights, using TensorFlow, Keras, and Scikit-learn.

## ADDITIONAL EXPERIENCE

---

### Ministry of Digital Economy and Entrepreneurship

Front Desk Assistant

Amman, Jordan

June 2022 - November 2022

- Handled at least 30 citizens per day, addressing their inquiries and concerns
- Data handling, including collecting, analyzing, sharing, and keeping records of the data using Microsoft Excel
- Used critical thinking to break down problems, evaluate solutions and make decisions
- Resolved problems, improved operations, and provided exceptional service

## EDUCATION

---

### Balqa Applied University

Bachelors Degree in Civil Engineering - Very Good

Salt, Jordan

October 2021
