ABOUT ME

Reliable, hard-working with strong attention to detail, and full of energy, passion for achievement, creativity, and excellence. I am a person who enjoys learning new techniques to achieve my goals, Essentially, my decision to change in career stemmed from my curiosity in finding what I was passionate about, always thinking that passion, ambition, and diligence are enough to reach goals in programming languages.

WORK EXPERIENCE

Full-Stack developer bootcamp
Coding Academy By Orange
July 2022 – Nov 2022

Projects

- Create Mockup & Wireframe for Together (Service Website) by using Miro.
 - Build Portfolio website by using HTML5, CSS3 and bootstrap.
 - Build Employee Evaluation Website Using JavaScript, HTML5, CSS3.
 - Home Decorations WordPress E-Commerce Website, (include:
 - User should register to make the payment.
 - put coupon to get the discount.
 - plugins for SEO , security & multilingual).
 - Smart Home Products PHP Ecommerce Website (include: search, filter, comments, cart and PHP & JavaScript validation)
 - Food Delivery Website by using Laravel,
