SUMMARY

I 'am a Full Stack Web Developer with experience as a trainee at Coding Academy by Orange, where I completed an intensive course in Full Stack Web Development. Currently in the second year of a Computer Information System program at Hashemite University, as I showcased my technical expertise through various web projects, including a portfolio, an engaging quiz website, an e-commerce platform built with React, and efficient task and reservation management apps using the MERN stack.

EXPERIENCE

Trainee at Coding Academy by Orange

02/2023 – 08/2023
