- ♦ Enthusiastic
- ♦ Hardworking
- ♦ Self-motivated
- ♦ Cooperative

IYAD ABED

FULL STACK DEVELOPER

SUMMARY

I have many projects that have improved my level in building user-friendly full-stack applications. Also, I have developed myself to fit in with the work and I love being challenged to learn new things.

PROJECTS

Gharseh

Gharseh is a site for collecting donations, and these donations are converted into trees that are planted in locations that are specified within the events announced on the site.

Tech Stack: Express.js, Mongo DB, React, and Redux.

QuickRide
