WESAM AHMAD

FULL-STACK WEB DEVELOPER

About Me

Highly motivated and skilled fresh graduate with a completed full-stack web development bootcamp seeking a challenging position in the field of web development. Committed to utilizing my strong technical background, creativity, and passion for coding to contribute to the success of a dynamic and innovative organization. Eager to apply my knowledge and skills gained from the bootcamp to create impactful and user-friendly web applications, while continuously learning and growing as a professional in the field.

EXPERIENCE

Orange Coding Academy (Feb, 2023 - Present) Zarqa, Jordan

- Gained a solid foundation in full stack web development, covering front-end and back-end technologies.
- Built responsive and user-friendly web interfaces to improve user experience.
- Worked on multiple projects, both individually and in groups, to apply learned technologies and complete real-world web development tasks.
- Collaborated with team members on group projects, utilizing effective communication and task coordination to deliver project milestones.
- Worked extensively with Trello as an agile project management tool, ensuring efficient organization and task tracking within groups.
- Utilized GitHub organization to manage code repositories, enabling seamless collaboration and version control.

CNE FAMILY (Computer and Network Engineering Union) (Jan, 2015 – Jan, 2019) Amman, Jordan

PROJECTS

- Created a portfolio by utilizing HTML5 and CSS3. [Click here](#)
- Designed an E-Learning Blog website using Figma. [Click here](#)
