Wesam Abu shaqra

Profile

As a Full-Stack Developer who completed a 7-month intensive training program at Orange Coding Academy, my aim is to apply my knowledge of software development and research skills in a role as a Full-Stack Web Developer. Each task I approach with dedication and focus, always striving to deliver high-quality results. Continuous learning is a value of mine and working in a team environment where I can enhance my communication skills and contribute to the success of the project is important to me.
