## SUMMARY

---

Front End Developer with a strong background in React, HTML, CSS, and JavaScript. Known for exceptional problem-solving skills and effective communication, I excel in creating seamless user interfaces and engaging web experiences. With a keen eye for design and a commitment to delivering high-quality work, I have successfully contributed to numerous projects. Additionally, my proficiency extends to agile methodologies, ensuring efficient collaboration and project delivery. A dedicated and hardworking professional, I thrive in fast-paced environments, ensuring accuracy and meeting stringent deadlines.

---

## SKILLS

---

HTML • CSS • Java Script • React • Redux • Word Press • Git and GitHub • Bootstrap • Tailwind  
UI/UX • Figma

---

## EXPERIENCE

---

Trainee at Coding Academy by Orange

Intensive course in Front-end Web Development in collaboration with Simplon.co and Princess Sumaya University for Technology (PSUT) 09/2023 – 012/2023

- Expert in creating visually appealing and interactive user interface designs using figma
- Strong expertise in building dynamic and responsive web applications using React
- Skilled in creating well-structured and responsive web interfaces using HTML and CSS.
- Proficient in implementing interactive and dynamic features using JavaScript, enhancing user experience and functionality on websites and web applications.

---

## PROJECTS

---

### **Local Products Market Website in Jordan:** [🔗](#)

Designed and developed a user-friendly website using React, CSS, and Tailwind, showcasing diverse local products from Jordan. Revolutionized the shopping experience by enabling users to browse and order products online, eliminating the need to travel to other cities, and offering seamless doorstep delivery services.

### **Glaze and Grace** [🔗](#)

Welcome to Glaze and Grace, your premier source for high-quality home ceramics decoration products. Explore our extensive collection, featuring exquisite tableware, chic drinkware, robust cookware, and decorative items that will elevate the aesthetics of your living spaces. Our website is meticulously crafted using modern technologies, seamlessly blending React for an interactive user interface and PostgreSQL for a robust and reliable database backend. Enjoy a user-friendly shopping experience as you discover and select from our curated selection of premium home décor.

### **WiseReads Online Library Project:** [🔗](#)

Developed a dynamic online library, WiseReads, using HTML, CSS, and JavaScript, creating an engaging user interface and interactive features for seamless book browsing and reading experiences. Implemented responsive design, intuitive navigation, and real-time search functionality, enhancing user accessibility and interactivity on the WiseReads online library platform.

## VOLUNTEERING

---

Over the course of my commitment to volunteerism, I have dedicated a substantial total of 335 hours at nahno to various impactful initiatives organized by renowned institutions such as the Crown Prince Foundation's Office in Zarqa and RBCs Team. My involvement has been multifaceted, encompassing a wide array of activities, including organizing theatrical performances, demonstrating presentation skills, educating about digital currencies, contributing to marketing strategies, conducting educational surveys, and participating in health awareness campaigns. Additionally, I have volunteered in crafting Eid trays, organizing music events, distributing holiday gifts, and actively contributing to community service initiatives aimed at reducing organic pollutants. This extensive volunteer experience has not only honed my skills in effective communication and digital literacy but also highlights my unwavering commitment to making a meaningful and positive impact on society. I take pride in the recognition I have received through certificates of participation and volunteering from reputable organizations, underscoring my dedication to social responsibility and community engagement.
