Full Stack Developer with a strong foundation in developing user-centric web applications, specializing in both front-end and back-end technologies. Gained extensive hands-on experience through completing 10+ projects at Orange Coding Academy. Proficient in HTML, CSS, JavaScript, C#, .NET, SQL and Angular, with a passion for writing clean, efficient code and delivering innovative solutions. Eager to apply my technical expertise to a dynamic and forward-thinking web development team.

### TECHNICAL SKILLS

- **Frontend:** HTML, CSS, JavaScript, Bootstrap, TypeScript and Angular.
- **Backend:** C#, OOP, ASP.NET MVC, ASP.NET Core API
- **Tools :** Visual Studio, VS Code, Github, Figma, Trello.
- **Database:** SQL Server
- **Software Development Practices (SDLC):** Agile

### SOFT SKILLS

- **Problem-Solving**
- **Communication**
- **Critical Thinking**
- **Fast and Self Learning**
- **Time Management**
- **Teamwork**
- **Adaptability**
- **Attention to Details**
- **Creativity**
- **Emotional Intelligence**

### EXPERIENCE

#### Full-Stack Web Development Trainee | Orange Coding Academy

Dec 2024 - Present

##### Work Experiences:

- **Front-end:** Developed responsive and interactive user interfaces using HTML, CSS, JavaScript, TypeScript and Angular, enhancing the user experience with clean UI/UX principles.
- **Back-end:** Built and maintained web applications using C#, .NET MVC, and ASP.NET Core Web API. Ensured efficient data management and scalability by consuming APIs and integrating back-end services.
- **Database:** Managed and optimized SQL Server databases. Created and executed queries for efficient data retrieval, and ensured database performance.
- **Project Work:** Delivered 8 full-stack web projects, applying skills to real-world scenarios. Developed scalable, maintainable, and high-performing applications.
- **Collaboration:** Worked closely with teams to implement project requirements and ensure the seamless integration of front-end and back-end systems.

## PROJECTS

- **HR Management System** [\[GitHub Link\]](#)

Product Owner

Description: A web-based system for employee management, attendance tracking, and leave requests and role-based access control.

Tools: HTML, CSS, Bootstrap, JS, C#, .NET Core, and SQL Server.

- **Library Management System** [\[GitHub Link\]](#)

Description: Enabled users to log in, reserve books and halls, and manage library resources using .txt file storage instead of a database. Improved authentication, UI design, and data handling while collaborating in an Agile team environment.

Tools: C#, OOP, ASP.NET Web Forms, HTML, CSS, JavaScript.

- **Build E-commerce** [\[GitHub Link\]](#)

Description: Developed a feature-rich e-commerce web application for selling cosmetics, focusing on user experience and modern design using Angular, TypeScript, HTML, CSS, Bootstrap. The platform includes user authentication, product categorization, shopping cart, voucher application, order processing, and a personalized user profile system with saved preferences, addresses, payment methods, and order history. Integrated product reviews and ratings to enhance customer trust. Contributed to building a scalable, responsive, and user-friendly interface tailored for beauty enthusiasts.

Tools: HTML, CSS, Bootstrap, JavaScript, Angular, MocApi.

- **Build Quiz Website** [\[GitHub Link\]](#)

Description: Developed an interactive quiz platform to evaluate candidates applying for jobs. Enabled users to register, log in, apply for IQ, English, and Technical tests, and view results with detailed feedback. Implemented dynamic question loading from JSON files, user authentication, profile management, and result visualization. Used local and session storage for data handling while ensuring responsive UI and improved user experience.

Tools: HTML, CSS, Bootstrap, JavaScript, JSON.

## EDUCATION

### Full-Stack Development Bootcamp | Orange Coding Academy

Dec 2024 - present

Intensive course in Full Stack Web Development by Orange Coding Academy in collaboration with Simplon.co and Princess Sumaya University for Technology (PSUT).

### Bachelor's Degree in Biology | Yarmouk University

Oct 2018 - Sep 2022

#### Achievements:

- Honor List Recipient at Yarmouk University (2020).
- Completed medical laboratory training at Al-Safa Specialized Hospital (2021).
- Completed training at Al-Sahel Medical Laboratories (2022).
- Completed an English language course at Basmalah for Training and Development.
- Completed an English course at Queen Rania Academy (2019).
