### **SUMMARY**

I am a Full Stack Web Developer with hands-on experience in both back-end and front-end development. I possess strong skills in HTML, CSS, JavaScript, PHP, MySQL, and Laravel, and have expertise in UI/UX design using Figma. My background in Business Administration complements my technical skills, allowing me to effectively manage projects and deliver high-quality solutions. I am detail-oriented, with a keen interest in logo design and a continuous drive to enhance my technical and managerial capabilities.
