Network Engineer | Software Engineer | System Engineer | Software Engineer | Software Developer

## Objective

An enthusiastic and dedicated full-stack developer with a passion for continuous learning. Known for a strong work ethic and commitment to excellence, I thrive on challenges and approach each project with enthusiasm. Eager to expand my knowledge and skills every day

## Technical Knowledge

**Programming Languages:** JavaScript, HTML/CSS, with PHP, Laravel, React and Wordpress

**Architectural Software:** AutoCAD, Revit, and 3ds Max.

**Graphic Design Software:** Photoshop and Illustrator.

**Database:** SQL, MySQL

**Operating Systems:** Windows

**Other Tools:** MS Office (Word, Excel, PowerPoint), Git (Version Control Systems)

## Education

**Orange coding academy, Balqa**

**05/2024 to 11/2024**

**Full Stack Developer**

- Front-End Languages: Proficient in HTML, CSS, JavaScript, React and Wordpress.
- Back-End Technologies: Experience with PHP and Laravel.
- Team Collaboration: Developed strong teamwork and communication skills through collaborative projects.
- Problem-Solving: Enhanced ability to approach and solve complex problems systematically.
- Time Management: Improved ability to manage time effectively and meet deadlines

**Amman Arab University, Jordan**

**2024**

Bachelor's in Architectural

## Experience

• **Architectural Trainee:**

- Skilled in selecting appropriate colors to enhance user experience, understanding typography to convey clear messages, implementing animations for UI attractiveness, and ensuring attention to detail for a polished, professional design.

**Targets Office for Engineer Ayman Aaridah - Amman, Jordan**

**07/2023 to 9/2023**

Drafting and Rendering: Gaining proficiency in architectural drafting techniques and rendering software to create detailed plans, elevations, and 3D models.

• **Work Experiences:**

**Having worked in several restaurants between semesters**

I have gained valuable experience in handling work pressure, assuming responsibilities, and maintaining respect for both the job and the manager. Throughout these experiences, I have learned the importance of adaptability and teamwork, as well as the significance of effective communication and time management.
