Languages .<https://malek-aldesougi.github.io/Personal-portfolio/index2.html>

Languages

Arabic: Expert, fluent written, spoken & reading.

English: Very good written and spoken English, as well as good reading skill.

Russian: Beginner

Objective .<https://malek-aldesougi.github.io/Personal-portfolio/index.html>

Objecitve

I'm a reliable person, I'm seeking a position as a full-stack web developer in a practical organizational environment to gain more experience and continue to learn. I consider myself to be a self-motivated and active person who has the passion to learn and always improve. I'm mostly interested in enhancing my skills and deepening my knowledge in the fields of information technology, web development and accounting information systems.
