SUMMARY

Software Engineer with strong problem-solving and teamwork skills. Started with technical support at Zain, developing communication and collaboration abilities. Later, as a Software Engineering Intern at CS Mena, I strengthened my backend development skills with ASP.NET, SQL Server, and API integrations. Currently refining frontend and backend expertise through an intensive bootcamp at Orange Coding Academy, focusing on HTML, CSS, JS, PHP, Laravel, React, and MySQL. Ready to contribute to innovative development teams with a mix of technical skills and interpersonal strengths.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, Backend: PHP, Laravel, MySQL

Bootstrap

Database: SQL Server

Tools: VS Code, GitHub, Figma,

Trello

SOFT SKILLS

Problem Solving, Communication, Critical Thinking, Fast and Self Learning, Teamwork, Adaptability, Change Management, Creativity

PROFESSIONAL EXPERIENCE

Orange Coding Academy

January 2025 - Present

- Full-Stack Development Trainee Intensive 4-month bootcamp covering frontend and backend technologies: HTML, CSS, JS, PHP, Laravel, React, MySQL, Bootstrap, Figma. Collaborated on 9 full-scale projects in diverse teams, simulating real-world software development environments.

Zain Company, Amman

November 2023 - December 2024

- ISP Technical Support Provided proactive technical support, resolving customer issues efficiently to ensure minimal disruption and maintain high service standards

CS Mena, Internship

November 2022 - April 2023

- Focused on developing skills in ASP.NET; engaged in projects involving SQL servers, databases, and API functionalities

EDUCATION

Philadelphia University, Amman

2018 - July 2023

- Bachelor of Science in Software Engineering

PROJECTS

- Worked on 8 diverse projects, both individual and team-based. Projects included complete web applications using various frontend and backend stacks. GitHub Portfolio: <https://github.com/Elhaija>
