### PROFESSIONAL BIO

I have 5+ years of work experience in Arts and Creative Direction field. Luckily, I have unleashed a new passion for programming in 2020 and fortunately been accepted in Coding Academy by Orange. The program started this September 2020, and by April 2021 I will graduate as a full-stack web developer. I am looking for opportunities that will allow me to practice the skills I gained in web-development, and more specifically in back-end development.
