Full Stack Web Developer

CAREER OBJECTIVE

Full-Stack Web Developer with a Strong Technical Background and Project-Based Experience

A highly skilled full-stack web developer with hands-on experience in designing, developing, and optimizing web applications. With a portfolio of **10 diverse projects**, both individual and team-based, I have developed a strong ability to collaborate effectively and deliver high-quality solutions. My technical expertise includes **HTML, CSS, JavaScript, React, Node.js, Express, Firebase, PostgreSQL, MongoDB, Bootstrap, Tailwind**, and proficiency in **Figma** for design and prototyping.

I possess a solid foundation in **UI/UX principles**, with a keen interest in enhancing user experience through intuitive and well-structured interfaces. My strengths include analytical problem-solving, critical thinking, and the ability to develop scalable and efficient web solutions.

I am seeking an opportunity to apply my technical skills and project experience in a professional environment, contributing to the development of innovative and high-impact web applications.

Technical Skills

Programming Languages: JavaScript, HTML, CSS

Front-End Technologies: React, Next.js, Redux, Bootstrap, Tailwind CSS

Back-End Technologies: Node.js, Express.js

Databases: PostgreSQL, MongoDB, Firebase

Version Control: Git, GitHub

UI/UX & Design Tools: Figma

Development Methodologies: Agile, Scrum

Content Management System: Odoo website

Experience

Coding Academy by Orange

Full Stack Web Development Trainee

December 2024 – Present

Work Experiences:

- Enhanced user engagement through UX/UI design.
- Improved soft skills by focusing on communication, time management, teamwork, emotional intelligence, critical thinking, and adaptability.

- Performed daily individual tasks to advance technical skills.

Full Stack Web Developer

- Collaborated with an IT team on short-term projects, enhancing both teamwork and technical skills to improve front-end and back-end systems.
- Participated in the design and implementation of database management solutions, improving data integrity and performance.

Projects

1) Arouma – charitable fundraising

Description: A platform dedicated to supporting students in covering their university tuition fees. It provides a secure and transparent way for donors to contribute, ensuring that financial barriers do not hinder educational opportunities.

2) Horizon – renting luxurious villas

Description: An exclusive online platform for renting luxurious villas and spacious homes. The website offers a curated selection of premium properties designed to meet the needs of individuals and families seeking a comfortable, elegant, and high-end living experience. Whether you're looking for a vacation home, a long-term rental, or a special venue for an event, Horizon ensures a seamless and reliable service for booking large-scale residences. With user-friendly navigation, detailed property listings, and a variety of amenities.

3) ManageMate – Smart Task Management

Description: A well-designed online platform that enables individuals and teams to efficiently organize, track, and manage their tasks, providing a fast and seamless user experience with React.js.

Education

Coding Academy by Orange - Zarqa, Jordan

DECEMBER 2024 - Present

Full-Stack Web Development Bootcamp

Intensive course in Full-Stack Web Development in collaboration with Simplon.co and Princess Sumaya University for Technology (PSUT)

Volunteer Experience

I have volunteered and trained for over **350 hours** with various national initiatives and respected organizations, including the Crown Prince Foundation, All Jordan Youth Commission, and several local community programs. These experiences involved both hands-on training and active participation in youth leadership, community engagement, and social innovation projects. I am proud to serve as a **Youth Ambassador for the "Nahno" platform**, a national initiative that promotes youth volunteerism and civic responsibility. My volunteer journey has strengthened my communication, leadership, and teamwork skills, while deepening my passion for creating positive impact through technology and community involvement.
