Objective

Web developer with strong front and back end skills . loves to develop perfect solutions with agile methods , clean code and the newest technologies. my dream is to be able to work for an encouraging and stable company that will assist me in developing ,improving and obtaining the neccessary skills in order to become the best web developer .

WORK EXPERIENCE

- **E-Commerce Website(Luxury Furniture)**

Made a full E-Commerce Website with my team about selling rare and luxuriest furniture for those who want to live with style . <https://github.com/Dyarhunaity/projectphp5>

- **Volunteer Website W(all)**

Contributed into making a volunteering website about repairing walls and making their visual appearance better <https://github.com/Dyarhunaity/project-6>

EDUCATION

High School Diploma

Aqaba-Jordan 2020

Trainee in full stack web development bootcamp

Orange coding Academy

Aqaba-Jordan 2021-Present

Studied at Orange Coding Academy for 6 months ,therefore it developed my coding skills and gave me a clear image about website developing .
