- Communication Skills

## EXPERIENCE

---

### Customer Service Advisor ISP

Zain | Amman, Jordan | Feb 2022 - Mar 2023

- Support the Customer with Technical issues.
- Troubleshooting Internet Issue with a customer and solved this issue

### Trainee at Coding Academy by Orange

Az-Zarqa, Jordan | Sep 2023 – Dec 2023

Intensive course in Back-End Web Development in collaboration with Simplon.co and Princess Sumaya University for Technology (PSUT).

- Managed version control and collaborative development using Git and GitHub, ensuring seamless teamwork and efficient code management.
- Utilized HTML, CSS, and JavaScript to create intuitive and visually appealing user interfaces, enhancing overall user experience.
- Proficient in using Node.js for server-side web development, enhancing dynamic user experiences.

## PROJECTS

---

### English learning platform (Fluencia)

We have developed a user-friendly web application for English language learners, including a rich course catalog, and user profile pages. The platform is built using Node.js, Express.js, and PostgreSQL, providing intensive courses, tasks, and a convenient payment system through Stripe. Users can log in seamlessly using their Google accounts."

### E-commerce

I developed a secure e-commerce platform with Node.js, Express.js, and PostgreSQL, featuring Stripe integration and user authentication, including Google login/signup.

### Book Library

Developed user-friendly web app for book enthusiasts with a welcoming homepage, user registration, and login, rich book catalog, and user profile pages. Ensured accessibility and data security through JSON server and Firebase integration.
