SUMMARY

Highly motivated and talented developer proficient in HTML5, CSS3, and JavaScript, with a strong focus on creating responsive web designs. Skilled in building dynamic and user-friendly interfaces using React.js and leveraging Node.js and Express.js to develop robust backend solutions. Familiarity with MongoDB ensures efficient data management, while version control using Git/Github maintains a streamlined development process. Ready to bring my expertise in Bootstrap and Tailwind to enhance the company's web presence and deliver exceptional user experiences.
