

# LUJAIN ALATTAR

## FULL STACK DEVELOPER

Amman, Jordan  
+962797855725  
LujainA.Alattar@gmail.com  
<https://www.linkedin.com/in/lujain-alattar>

### SUMMARY

Dedicated Full Stack Developer with hands-on experience in building frontend applications using HTML, CSS, React.js, and JavaScript. Proficient in backend development using PHP / Laravel and database management with MySQL. Excellent communication, time management, and problem-solving skills.

### EXPERIENCE

#### **Full-Stack Developer Trainee | Coding Academy by Orange**

FEBRUARY 2023 - PRESENT

- Developed proficiency in full-stack web development, utilizing HTML, CSS, JavaScript, PHP, and Laravel.
- Collaborated effectively within a team-based learning environment to build scalable web applications.
- Acquired knowledge of software development methodologies, such as Agile, and applied them to project workflows.
- Actively engaged in continuous learning, staying updated with the latest industry trends and best practices in full-stack development.

#### **Front-end Developer | Jordan Computer Society - JCS**

OCTOBER 2022 - JANUARY 2023

- Developed front-end web applications using HTML, CSS, and JavaScript.
- Implemented responsive and user-friendly interfaces, ensuring optimal user experience across different devices and screen sizes.
- Collaborated closely with designers and back-end developers to translate wireframes and mockups into functional web pages.
- Utilized modern front-end frameworks, libraries, and tools, such as React or Angular, to enhance development efficiency and maintainability.

### EDUCATION

#### **B.Sc. Software Engineering | The World Islamic Sciences and Education University**

SEPTEMBER 2019- JANUARY 2023

Our Graduation Project Helper App is an Android application that simplifies the process of developing a successful graduation project. It offers idea generation, project collaboration, and resource recommendations, empowering students to complete their projects with confidence and success.

### SKILLS

- Programming skills:
  - Microsoft Office
  - VS code
  - XAMPP
  - HTML, CSS
  - JavaScript
  - PHP
  - Laravel
  - React.js
  - WordPress
- Soft skills:
  - Communication
  - Continuous learning
  - Teamwork
  - Leadership

## PROJECTS

(GITHUB LINK: [HTTPS://GITHUB.COM/LUJAINALATTAR](https://github.com/LUJAINALATTAR))

- **Responsive Portfolio Website | HTML/CSS**

Designed and developed a responsive portfolio website using HTML/CSS. Implemented mobile-first approach, optimized content for various devices, and showcased personal projects/skills.

- **Responsive Quiz Website | HTML/JS/CSS/Bootstrap**

Built a responsive quiz website with HTML, JavaScript, CSS, and Bootstrap. Implemented dynamic quiz functionality, attractive UI, and hosting deployment.

- **E-commerce Website for Electronics | PHP/HTML/CSS/JavaScript**

Created an e-commerce website for electronics using PHP, HTML, CSS, and JavaScript. Implemented user registration, login, authentication, and secure payment gateways. User-friendly interface, integrated shopping cart, and responsive design for optimal viewing on various devices.

- **Farm Booking Website | Laravel/PHP/HTML/CSS/JavaScript**

Built a farm booking website using Laravel framework with user authentication, search, secure booking, and responsive design. Integrated payment processing, validation, third-party APIs for enhanced functionality.
