

OSAMA KHAZALI

Full-Stack Web Developer

o.a.alkhazali@gmail.com | +962-787276821 | [Linkedin](#) | [GitHub](#)

OBJECTIVE

Motivated and passionate full-stack web developer seeking a challenging role where I can work with modern technologies to build real-world solutions, learning new things and keep growing as a developer. I'm passionate about coding and enjoy working in teams that value learning, creativity, and making a real impact.

PROJECTS

Projects (Orange Coding Academy)

Doctors Appointments Site & Doctor Panel :

PHP (Laravel), MySQL, HTML, CSS, Bootstrap

Developed a full-stack appointments management system with separate doctor and patient panels. Includes scheduling, availability, and appointment tracking.

E-commerce App

PHP, MySQL, MVC

Created a shopping platform with product listings, user authentication, and cart functionality using the MVC pattern.

Job Portal Clone

Mockup job portal with listing, authentication, and application features using Local Storage.

Personal Projects

Restaurant Order Web App & Admin Dashboard:

React, Node.js, TypeScript, Express.js, MySQL

Built a full-featured meal ordering platform with real-time tracking, table input, notes, and an admin panel for menu management.

Basic Calculator & Web Games:

JavaScript, HTML, CSS

Developed a basic calculator and games like Tic-Tac-Toe, focusing on logical implementation and user experience.

UI Clones: YouTube & Airbnb:

HTML, CSS, JavaScript

Created responsive clones of popular sites to practice and sharpen frontend skills.

EXPERIENCE

Full-Stack Web Developer Trainee:

Jan 2025 - May 2025

Orange Coding Academy, Amman, Jordan

Completed an intensive bootcamp covering full-stack development using PHP (Laravel), React, and MySQL. Worked on real-world projects in a team setting, enhancing both technical and soft skills including teamwork, agile methodologies, and problem-solving.

Content Moderator:

June 2021 - May 2023

Consetix, Amman, Jordan

Reviewed and moderated user-generated content for quality, safety, and adherence to platform policies, maintaining a positive digital environment.

Office Engineer & Site Supervisor:

Mar 2020 - Nov 2020

Nov 2024 - Jan 2025

Hamad Al-Khaldi Office, Amman, Jordan

Worked on civil drawings and technical documentation using AutoCAD. As a site supervisor, oversaw construction activities to ensure project execution matched engineering plans and timelines.
