RaniaAbualnadi (github.com)

I am seeking a new challenge as a front-end developer. I have a good sense of UI/UX design and good technical skills. Coming from an intensive training Bootcamp in which I developed my skills with hands-on more than five projects so far. I'm confident that I would be a valuable asset to the team.

---

## Skills

- React JS
  - WordPress /Bootstrap
  - HTML5, CSS3, JavaScript ES5/ES6
