ABOUT ME

I am a highly motivated Full Stack Web Developer with a proven track record of building responsive and user-friendly web applications. With a solid foundation in front-end and back end development, I excel at turning design concepts into seamless digital experiences. Proficient in technologies like HTML , CSS ,JavaScript and React,, and databases such as SQL , PHP , Laravel , I am dedicated to creating efficient, secure, and innovative solutions. I thrive in collaborative environments, continuously seek opportunities for growth, and am passionate about delivering high quality web applications that meet and exceed user expectations

WORK EXPERINECE

Jun 2023 – Dec 2023

Trainee As Full Stack Web Developer
Orange Coding Academy | Aqaba Cohort

At Orange Coding Academy, I excelled as both a Scrum Master and Product Owner, facilitating agile methodologies, streamlining team collaboration, and ensuring ontime project delivery .
