# ABDALMJEED AL-ZOUBI    FRONT-END DEVELOPER

**Mobile:** +962 772-796-411 | **Email: abdalmjeedalzoubi@gmail.com** | **LinkedIn:** abdalmjeed alzoubi

## Profile Summary

I am a Front-end Developer with specialized training from Orange Academy in 2023. My expertise lies in HTML, CSS, and JavaScript for web development, and I am proficient in creating responsive user interfaces. I have hands-on experience in utilizing React, and I am adept at designing and implementing innovative web solutions.

In addition to my technical skills, I have a background in Power Engineering from Al-Balqa Applied University in Jordan, where I completed my education from 2018 to 2022. I further enhanced my development skills through the Front End Developer Training at Orange Academy.

## Work Experience
