💼 PROFESSIONAL EXPERIENCE

Trainee at Coding Academy by Orange 09/2023 - 12/2023

Intensive course in Back-end Web Development in collaboration with Simplon.co and Princess Sumaya University for Technology (PSUT).

- Managed version control and collaborative development using **Git** and **GitHub**, ensuring seamless teamwork and efficient code management.
- Utilized **HTML, CSS**, and **JavaScript** to create intuitive and visually appealing user interfaces, enhancing overall user experience.
- Explored backend technologies, including **Node.js**, **Express**, and **PostgreSQL**, to broaden my skill set and deepen my understanding of server-side development.
- Independently conceptualized, developed, and deployed 5 projects showcasing a wide range of technical skills and creative problem-solving abilities.

Volunteer Experience at Insaan Parallel Company (2 years)
- Department: Research and Development
- Played a pivotal role in the "Awareness Message" project, responsible for gathering resources and preparing outputs for programs.
- Acquired valuable experience in developing research skills, data analysis, and collaborating within a diverse team.

📂 PROJECTS

WiseReads ⊡
The project aims to develop a user-friendly web application for books , It features a comprehensive homepage offering a warm welcome ,and a search bar for easy book discovery.The application boasts a rich Book Catalog Page, displaying detailed book information, and a User Profile Page for managing favorites and reading lists.all while prioritizing inclusivity and data safety through **JSON** server and **Firebase** magic.

Tourism In Jordan ⊡
Dynamic web platform dedicated to Jordanian tourism enthusiasts. Users can seamlessly log in, sign up, and contribute blogs to showcase the beauty of Jordan. Leveraged **Node.js** and **Express** for robust server-side development, while **PostgreSQL** facilitated efficient data management. The project combines my passion for tourism with technical skills to create an engaging online community for sharing travel experiences.

🎓 EDUCATION

Bachelor's degree in Computer Science | Yarmouk University   2019 - 2023
GPA : Very Good

Orange Coding Academy   Sep 2023 - Dec 2023
4 Months Back-end web developer bootcamp.
