Samar Awni Algharaibeh

Data Scientist

cis_smrgh@yahoo.com | +962795597240 | Amman, Jordan

Profile

Highly skilled in data science with a strong background in statistical analysis, data manipulation, and machine learning. Proven ability to extract meaningful insights from complex datasets and translate them into actionable solutions to drive organizational success. Have a strong understanding of various data visualization, data analysis tools, and programming languages. Strong analytical and problem-solving abilities with attention to detail.

Excellent verbal and written communication skills, enabling effective collaboration with diverse teams and presenting complex findings to non-technical stakeholders. Proactive and self-motivated, passionate for continuous learning, and up-to-date with the latest data analysis techniques and tools.

Education

Bachelor's degree in Computer Information System,   Sep 2013 – Jul 2017
Jordan University of Science and Technology   Jordan

Experience

Data Science Training Course, *Data Science Academy By Orange*   May 2023 – Jul 2023
                                                                         Amman, Jordan

Certificates

- Python for Data Science provided by Sololearn [Jun, 2023]
- Data Analysis Track provided by Udacity [Apr, 2021]

Skills

Programing Language
Python

Statistical Analysis
Descriptive Statistic, Hypothesis Testing

Data Visualization
Matplotlib, Seaborn

Data Manipulation and Analysis
Pandas, NumPy, Data Wrangling

Machine Learning
Scikit-learn

Database Management
MySQL

Microsoft Power BI

Problem Solving

Attention to Detail

Self-Learner

Time Management

Critical Thinking

Communication

Languages

- Arabic
- English
