Rashed Baha 'a Nehad Alaqrabawy

Amman, Aqaba - JO • +962796632195 • rashedaqrabawy70@gmail.com

Network Engineer | Software Engineer | System Engineer | Software Engineer | Software Developer

CAREER OBJECTIVE

A recent Computer information system undergraduate from THE UNIVERSITY OF JORDAN, bringing proven IT internship experience with Orange Coding Academy. It was equipped with foundational software development, data mining, and knowledge management skills. Proven ability to apply Java, C++, and Python technical skills in practical, real-world situations, demonstrated through internship and academic projects. Adept at problem-solving and analytical thinking, with a solid grasp of standardizing policies and procedures. Brings strong interpersonal and communication skills, fostered through successful team collaborations and leadership roles in various projects. Looking to leverage extensive academic training and internship experience in dynamic entry-level IT positions.

Core Competencies

Software Development	Critical Thinking	Time Management
Process Evaluation	Problem-Solving Ability	Problem-Solving Ability
Performance Review	Project Management	Effective Communication
Data Analytics Skills	Creativity and Innovation	Attention to Detail
Requirement Analysis	Customer-Centric Approach	Team Collaboration

Technical Knowledge

Programming Languages: PHP, C++, JavaScript, HTML/CSS,
Database: SQL, MySQL, SQL Server
Operating Systems: Windows
Software Development Practices (SDLC): Scrum, Agile
Other Tools: MS Office (Word, Excel, PowerPoint), Git (Version Control Systems)

Internship

Orange Coding Academy(OCA),Aqaba-JORDAN

May2024 – Dec 2024

Intern, Orange Digital Center

Work Experiences:

- Assisted in various IT operations, contributing to the maintenance and improvement of front-end and back-end systems.
- Supported the deployment of new technology solutions, gaining hands-on experience with enterprise IT environments.
- Collaborated with a team of IT professionals on daily tasks and long-term projects, enhancing teamwork and technical skills.
- Collaborated in the design and implementation of database management solutions, enhancing data integrity and performance.
- Participated in the integration and configuration of software solutions, gaining insights into the architectural decisions involved in scalable application development. Used programming languages such as JavaScript, PHP, and HTML/CSS for development tasks

Education & Credentials

University THE UNIVERSITY OF JORDAN,   **2027**

Bachelor's in computer information system

Conferences and Training Attended:

- Orange coding academy Competitive Programming Contest, may 2024– 5th
- Received Certificate of Achievement by Google Developer Student Clubs at Al-Baha University

  ➢ Participated in a comprehensive training program organized by the Google team to prepare for the competition day.

  ➢ Engaged in intensive problem-solving sessions focused on competitive programming questions to assess projects.

  ➢ Completed designated homework using coding knowledge to refine and develop programming skills further.

  ➢ Awarded for successfully attending the University of Jordan Competitive Programming Competition (CPC).
