SKILLS

Python
Power BI
Microsoft Excel
Team leading
SQL
Communication Skill
Coaching and training skill
Team work
Pandas
scikit learn
NumPy
SciPy
Seaborn
Data science
Matplot

EDUCATION

1.Electrical power Engineering
2013 - 2018
AL-Balqa'a applied university faculty of engineering technology

2.Orange Coding Academy (two months)
Python for data scientist

WORK EXPERIENCE

Orange Coding Academy
Python data scientist
2023.Feb- 2023.Mar
Started learning Data science with Orange coding Academy learned Python to analyst data using (Pandas, scikit learn, stats model, NumPy, SciPy....) ,Done a project about temperature forecasting and CO_2.

Bigo technology
Senior QA specialist
2021.Mar- 2023.Jan
Check quality of the data that moderated by juniors and conduct coaching sessions to improve accuracy with respect to company policy, also leading QA team which composed by 8 members

Extensya
Digital media advisor
2019.Nov - 2021.Mar
Working on chats, emails and calls to answer customer inquiries and achieve their satisfaction
