IBRAHIM HASAN

(Full Stack Web Developer)

Email: ibrahim.kha.hasan@gmail.com   Linkedin: Ibrahim Hasan

Mobile: (+962) 77 774 5360   GitHub: IbrahimKHasan

Address: Amman, Jordan

OBJECTIVE

I'm a Full Stack Web Developer, familiar with HTML5, CSS3, JavaScript, Bootstrap, PHP, Laravel and MySQL. I have completed five projects and I was a scrum master and product owner in two of them. Looking forward to increasing my knowledge and harnessing my skills in this field and to develop my career in a professional environment where skills, knowledge and expertise gained throughout experience to date can be applied and further professional development achieved.
