- Software Development Practices(SDLC): Scrum, Agile.

SOFT SKILLS

- Problem-Solving
- Communication
- Critical Thinking
- Fast and Self Learning
- Teamwork
- Adaptability
- Attention to Details
- Creativity

EXPERIENCE

Full-Stack Web Development Trainee | Orange Coding Academy, Zarqa/Jordan

12/2024 – Present

- **Front-end:** Developed responsive and interactive user interfaces using HTML, CSS, JavaScript, Bootstrap, and Tailwind, ensuring a seamless user experience with clean UI/UX principles.
- **Back-end:** Built and maintained web applications using **Node.js and Express.js**, developing scalable and efficient server-side logic.
- **Database:** Managed and optimized databases, working with SQL, MySQL, MongoDB, PostgreSQL, and Firebase, utilizing Sequelize for database interaction.
- **Project Work:** Successfully developed 8 full-stack web projects, applying technical skills to real-world scenarios and building scalable, maintainable applications.
- **Collaboration & Tools:** Worked closely with teams to implement project requirements, using GitHub, Figma, Trello, and Visual Studio Code for seamless workflow management. Familiar with **Scrum and Agile** methodologies to ensure efficient project execution.

PROJECTS

- **Aroma - Empowering Students Through Donations** (**GitHub**): Developed an online donation platform connecting donors with university students in need, built with **React,** Redux, Node.js, Express, PostgreSQL. Enables transparent and seamless donations to support tuition and essential expenses.
- **Flexora - Office Rental Platform** (**GitHub**): Created a web app for browsing and renting office spaces, featuring **360° virtual tours** and secure bookings. Built with React (Vite), Tailwind CSS, Redux, Firebase for a smooth user experience.
- **Crafted-Heart** (**GitHub**): Developed a platform for showcasing and selling **handmade products** such as candles, embroidery, and personalized gifts. Built using HTML, CSS, **JavaScript, and Firebase** with **Trello** and **Discord** for team collaboration.

EDUCATION

Full-Stack Development Bootcamp | Orange Coding Academy

12/2024 – Present

- Intensive course in Full Stack Web Development by Orange Coding Academy in collaboration with Simplon.co and

Princess Sumaya University for Technology (PSUT).

Bachelor's Degree in Financial Economics | Hashemite University

02/2021 – 08/2024

Training & Internships:

- Participated in the TECH FOR JOBS program by **Correlation One**, focusing on enhancing technical skills and career development.

Hackathon Participation:

- Competed in a **3-day hackathon** with a team from Hashemite University, developing a creative and innovative service for the **CliQ system** using front-end & back-end **development**.

Certifications:

- **The Future Fintech Disruptors Academy Training Program | March 2024**

Focused on Business & Software Development**,** APIs, Open Banking Ecosystem, AI, ML**,** and Fintech Fundamentals.
