# MALEK ABU ZAYED
## Full Stack Web Developer

Amman| (+962)782931664|  [malekishtiwi3@gmail.com](mailto:malekishtiwi3@gmail.com) | [Portfolio](Portfolio) | [Github](Github) | [LinkedIn](LinkedIn)

## OBJECTIVE

Web Development specialist with comprehensive full-stack training and practical Agile experience. Passionate about creating efficient, user-focused web solutions while continuously expanding technical expertise. Combines structured problem-solving approaches with collaborative skills to deliver innovative applications that meet business objectives.

## EXPERIENCE

**Full Stack Web Development Training Bootcamp**                Orange Coding Academy **|** Amman **|** Jan 2025 - May 2025

- **Frontend:** Developed responsive and interactive user interfaces using HTML, CSS, JavaScript, JQuery and React.JS, enhancing the user experience with clean UI/UX principles.
- **Backend**: Built and maintained web applications using PHP and LARAVEL. Ensured efficient data management and scalability by consuming API's and integrating back-end services.
- **Database**: Managed and optimized MySql databases. Created and executed queries for efficient data retrieval, and ensured database performance.
- **Collaboration**: Completed 100 hours of comprehensive soft skills training, focusing on team collaboration, project management, and cross-functional communication leveraging tools like trello and github.
