BACK-END DEVELOPER

Talented back-end developer proficient in PHP, MySQL, and SQL databases, with a solid foundation in front-end technologies including JavaScript, HTML, and CSS. Proven track record of designing and implementing robust server-side solutions, optimizing performance, and ensuring seamless integration across the full stack. Adept at working under pressure, I bring a keen eye for detail and a commitment to delivering clean, efficient code. Strong problem-solving skills and effective collaboration with cross-functional teams to meet tight deadlines.

EDUCATION

- **Web Development Degree**   Orange Coding Academy   Sep/2023-Present

- **Bachelor of Computer Science**   philadelphia University   2020-2023

PROFESSIONAL EXPERIENCE

Junior Back-End Developer | Orange Coding Academy | Sep 2023 - Present

Back-End Development
