About Me

I am talented, ambitious, and hardworking, with broad skills and experience in Front-End: HTML, CSS, JavaScript, ReactJs, Bootstrap, Back-End: PHP, SQL, LARAVEL, and Testing tools. Furthermore, I am adept at handling multiple tasks on a daily basis competently and working well under pressure.

My key strength is communication; building strong relationships with people in order to deliver the best results. worked in a developers team as a scrum master and as a product owner, and am currently actively learning in Orange Coding Academy As a " Trainer in Full-Stack Web Developer "

Education

Orange Coding Academy
