Fast Learning Negotiation Skills Presentation Skills	Critical Thinking Problem-Solving Ability Creativity and Innovation Technical Documentation	Time Management Effective Communication Attention to Details Team Collaboration

Experience

Orange Coding Academy, Irbid/Jordan
Full-Stack Development Trainee   **May 2024 - Nov 2024**
Work Experiences:

- Completed intensive training in full-stack development, with a strong focus on back-end technologies.
- Developed and maintained web applications using HTML/CSS, JavaScript, C#, TypeScript, and Angular.
- Built and consumed APIs with ASP.NET Core Web API, and developed applications using ASP.NET MVC and Web Forms, enhancing functionality and user experience.
- Managed and queried databases using SQL and SQL Server, ensuring efficient data storage and retrieval.
- Implemented responsive designs and user interfaces using Bootstrap and Angular.

Projects

1) **Parliamentary Jordanian Election System** (GitHub Link)
   Description: Developed a comprehensive platform using ASP.NET MVC and C# for online voting, application management, and real-time election result processing. Implemented SQL Server for efficient data management and storage.
2) **Feedback System**(GitHub Link)
   Description: a dynamic feedback system leveraging ASP.NET WebForms and C# for user authentication, course management, and real-time result visualization.
3) **HR Managment System** (GitHub Link)
   Description: an HR management system using HTML, CSS, and JavaScript to streamline various HR processes with a focus on task management and secure user access.
4) **Working Hours Tracker System**(GitHub Link)
   Description: a tracking system for managing working hours across departments at Yarmouk University, utilizing HTML, CSS, PHP, and MySQL for comprehensive functionality.

Education

- **Full Stack Web Development Bootcamp by Orange Coding Academy (May 2024 – Nov 2024)**
  Intensive course in Full Stack Web Development by Orange Coding Academy in collaboration with Simplon.co and Princess Sumaya University for Technology (PSUT).

- **Yarmouk University, Irbid/Jordan (2019-2024)**

  Bachelors in computer information systems

Achievements:
1- **Cyber Talent Contest (Zain CTF 2022):** Secured 2nd place in Jordan and 10th place in North Africa and the Middle East, competing against over 400 teams.
2- **Hult Prize (Yarmouk University):** Reached the top 5 in the Hult Prize competition at Yarmouk University, recognized as one of the only six qualified teams.
3- **DAD Environment Solution Competition:** Ranked among the top 5 teams out of 150 teams from Yarmouk University and Jordan University of Science and Technology.

Courses and Certificates
- Flutter Development
- Linux Administration and command line
- Cyber Security Fundamentals
