Soft Skills:
- Problem Solving.
- Collaboration.
- Work Independently.
- Creativity.
- Team Work

Languages
- Native in Arabic
- Fluent in English

EDUCATION

Irbid National University   Irbid, JO
Bachelor of Computer Science   Feb 2021 - Sep 2024

WORK EXPERIENCE

Full Stack Development Training - Orange Coding Academy   Jan 2025 - Present

- Engaged in an intensive full-stack development training program, covering both front-end and back-end technologies.
- Developed hands-on projects using Laravel, React, Tailwind CSS, and MySQL, gaining real-world experience in modern web development.
- Implemented RESTful APIs and integrated third-party services to enhance web applications.
- Worked with Git & GitHub for version control and team collaboration.
- Applied Scrum methodologies to manage projects efficiently and participated in Agile team discussions.
- Strengthened problem-solving skills by tackling complex coding challenges and debugging issues.
- Improved knowledge of SEO best practices and website performance optimization.

PROJECTS

Blogging Platform | Orange Coding Academy Apr 2025
- Developed a Blogging Platform with public-facing pages and an admin dashboard to manage articles, users, and subscriptions.
- Implemented authentication, premium content access, and a responsive UI using Tailwind CSS.
- Integrated an automatic tag generation feature using the TF-IDF algorithm to enhance content categorization.
- Worked as a Full Stack Developer, contributing to both Frontend and Backend development.
- Technologies: PHP, Laravel 11, React, Tailwind CSS, MySQL, Breeze, MVC, Rubix ML, TF-IDF.

Watch Store Project | Orange Coding Academy Mar 2025
- Built a Watch Store with a public website and an admin dashboard for managing products.
- Followed the MVC pattern and Separation of Concerns (SoC) principle for clean architecture.
- Collaborated as a Developer in a Team project, handling Backend and Frontend tasks.
- Technologies: HTML, CSS, JavaScript, PHP, MySQL, Bootstrap, MVC, FPDF

MoFlix | Orange Coding Academy Feb 2025
- Developed a movie browsing application that fetches data from the TMDB API.
- Worked as a Scrum Master in a group project, managing the development process.
- Implemented dynamic movie Fetching, Search, and Filtering features.
- Technologies: HTML, CSS, JavaScript, TMDB API

Personal Portfolio | Orange Coding Academy Jan 2025
- Built a personal portfolio showcasing my work and skills.
- Designed and developed the website using HTML and CSS.
- Technologies: HTML, CSS
