Profile

As a proficient backend web developer with expertise in Node.js and Express.js, specialized in creating robust web applications using MongoDB and PostgreSQL databases. I possess a strong command of HTML, CSS, and JavaScript, with the skill to apply the MVC pattern to design scalable and efficient solutions. Additionally, my commitment to delivering high-quality, well-structured code drives my passion for developing backend systems that enable seamless user experiences.

Technical Skills:

- Html5
- Css
- JavaScript
- Express Js
- MongoDB
- Node Js
- git
- GitHub
- MVC pattern
- JAVA
- C++
- OOP
